

Good Afternoon Everyone:

Thanks for all of you got back to us regarding their preference on having a newspaper box with or without our new mailboxes. It was a vote of 3 to 1 in favor of NOT having them. We understand that there are those who do. We are not making promises but we are working on something to accommodate those who do. Even if this goes forward we will let you know up front that if you have a double mailbox currently and one of you wants the newspaper box and the other does not...both would have to have them.

If you look at the set up, the newspaper box sits under the mailbox. We can not have a high one then a low one...would look like you know what.

We should have an answer shortly. We are trying to work it out with the installer.

This does not mean that we do not keep up with the condition of our existing mailboxes. We have them for another year. That is why we are attaching this flyer with our hired outside handyman for all types of work in our subdivision. Matt is a student at Muskego High School. He is a hard worker and is meticulous in his work. He has been authorized to drop off his flyer to notify you that either your mailbox or lamp post or both need work. He will work with you. At his price he is a heck of a bargain to get your property looking 100% again. Any job you might have, call him. Even if it is for extra pair of hands to help out in moving mulch, planting or soil...anything!

We say this all the time but please everyone watch your speed when driving in our subdivision...at least slow up when passing people or kids out on the street.

Thank you,

Regards,

Your CV Board of Directors

Stephen, Norm, Roger and Bryan

P.S. Sadly our matriarch of this subdivision has decided to move south. Her home is for sale on Champions Drive.

Sandy Jacob and her late husband John were the first ones to move into this subdivision. Her husband John loved Halloween and made it into what it is today. A special and great tradition for all!! Thank you Sandy and John above. You will be missed. We forgot, she is also the queen of yard sales. She is a master organizer for them!! Champions Drive will not be the same..LOL!! We all wish you and your family the best.
