

DECLARATION OF RESTRICTIONS

WHEREAS, the undersigned are all of the owners of all of the land described on Exhibit "A" which is attached hereto and made part hereof; and

WHEREAS, the undersigned have requested the CITY OF MUSKEGO, hereinafter referred to as "CITY", to rezone all of said land to create an OPD (Overlay Planned Development) on the underlying basic districts of R-2, R-3, A, RSM and B-4; and

WHEREAS, the undersigned wishes the CITY to enact the R-2/OPD zoning for the phase now to be developed and is willing to restrict the use of the remaining land to allow the same.

NOW, THEREFORE, BE IT RESOLVED, for valuable consideration acknowledged by the undersigned, the following:

All of the land described on Exhibit "A" is now restricted to be used as land subject to an OPD overlay on the underlying basic districts of R-2, R-3, A, RSM, and B-4 zoning, subject to the use of land being made in the prior phase or phases and further subject to all necessary future CITY approvals; and
2. No development of the land described in Exhibit "A" other than that in the phase now being rezoned is allowed without future CITY approval; and

DECLARATION OF COVENANTS AND RESTRICTIONS
FOR
CHAMPIONS VILLAGE OF COUNTRY CLUB VILLAGES

THIS DECLARATION is made this 1st day of August, 1996, THE VILLAGES AT MUSKEGO LAKES PARTNERSHIP, a Wisconsin general partnership, which declares hereby that "The Properties" described in Article II of this Declaration are and shall be held, transferred, sold, conveyed and occupied subject to the Covenants, Restrictions, Easements, Charges and Liens hereinafter set forth including, by reference, those entitled "Master Covenants For Country Club Villages".

REFERENCE

All provisions contained in the Master Covenants for Country Club Villages dated August 1, 1996 including all "Schedules and Exhibits", the "Articles of Incorporation" and the "By Laws" of Country Club Villages Master Maintenance Association are hereby incorporated into this Declaration by reference and as they pertain to all provisions contained herein. Should any provision(s) of this Declaration contradict any provisions contained in the aforesaid documents of Country Club Villages Master Maintenance Association, those of the Master Maintenance Association shall prevail.

ARTICLE I

DEFINITIONS

The following words when used in this Declaration (unless the context shall prohibit) shall have the following meanings:

- A) "ASSOCIATION" or "CHAMPIONS VILLAGE ASSOCIATION" shall mean and refer to the CHAMPIONS VILLAGE MAINTENANCE ASSOCIATION, INC., a Wisconsin corporation not for profit which is (or is to be) incorporated.
- B) "MASTER ASSOCIATION" shall mean and refer to the COUNTRY CLUB VILLAGES MASTER MAINTENANCE ASSOCIATION, INC., a Wisconsin corporation not for profit, which is (or is to be) incorporated.
- C) "MASTER COVENANTS" shall mean and refer to the MASTER COVENANTS FOR COUNTRY CLUB VILLAGES recorded (or to be recorded) by the Developer in the Public Records of Waukesha County, Wisconsin.

- D) "MEMBER" shall mean and refer to all those Owners who are Members of the Association as provided in Article III hereof or as may be superseded by Article III of the Master Covenants

Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Master Covenants.

ARTICLE II

PROPERTY SUBJECT TO THIS DECLARATION & ADDITIONS THERETO

SECTION 1. LEGAL DESCRIPTION: The real property which, initially, is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in Waukesha County, Wisconsin and is more particularly described in "Exhibit A" attached to and made a part of this Declaration, all of which real property, and all additions thereto, is herein referred to collectively as "The Properties". To the extent all or any portion thereof is not owned by the Developer, the respective Owners thereof shall have joined in this Declaration for the purpose of subjecting that portion of The Properties owned by each of them to this Declaration.

SECTION 2. SUPPLEMENTS: Developer may from time to time bring other land in and outside of the Development under the provisions of this Declaration by recorded supplemental declarations [which shall not require the consent of then existing Owners (except in the case of an Existing Parcel or property not then owned by Developer, in which case the Owner thereof shall join in the applicable supplemental declaration) or the Association or the Master Association] and thereby add to the Properties subject to this Declaration. It is the present intention of the Developer that all real property within the Development owned by Developer or its affiliates (and all Existing Parcels owned by others to the extent made Lots or Units as elsewhere herein provided) shall eventually be made a part of the Properties. Nothing in this Declaration, however, shall obligate Developer to add to the initial portion of the Properties or to develop future portions of the Development under such common scheme, nor to prohibit Developer from rezoning and changing the development plans with respect to any such future portions, and/or the Developer from adding additional or other property to the Development and the Properties under such common scheme. All Owners, by acceptance of a deed to their Lots, thereby automatically consent to any such rezoning, change, addition or deletion thereafter made by the Developer and shall evidence such consent in writing if requested to do so by the Developer at any time.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

SECTION 1. MEMBERSHIP: Every person or entity who is an owner of a Lot in the Properties described on Exhibit A hereto shall be a Member of the Association. Notwithstanding the foregoing, any such person or entity who merely holds record ownership as security for the performance of an obligation shall not be a Member of the Association.

SECTION 2. VOTING RIGHTS: This Association shall have two (2) classes of voting membership:

CLASS A: Class "A" Members shall be all those Owners as defined in Section 1 with the exception of the Developer (as long as the Class "B" Membership shall exist, and thereafter the Developer shall be a Class "A" Member to the extent it would otherwise qualify). Except as provided below, Class "A" Members shall be entitled to one (1) vote for each Lot in which they hold the interests required for membership by Section 1. When more than one person holds such interest or interests in any Lot, all such persons shall be Members, and the vote for such Lot shall be exercised as they among themselves determine but, in no event shall more than one vote be cast with respect to any such Lot.

CLASS B: The Class "B" Member shall be the Developer. The Class "B" Member shall be entitled to one (1) vote, plus two (2) votes for each vote which the Class "A" Members are entitled to cast in the aggregate from time to time, provided that the Class "B" Membership shall cease and terminate one (1) year after the last Lot within The Properties owned by the Developer (or its Affiliates) has been sold and conveyed by the Developer (or its Affiliates) or sooner at the election of the Developer, whereupon the Class "A" Members shall be obligated to elect the Board and assume control of the Association.

NOTE: As to matters pertaining to the Development as a whole, the Master Maintenance Association shall control and the delineation of types of membership shall be as noted in the Master Covenants.

SECTION 3. ACCESS AT REASONABLE HOURS: For the purpose solely of performing the Lot and exterior maintenance authorized by this Article, the Association, through its duly authorized agents or employees or independent contractors, shall have the right, after reasonable notice to the Owner, to enter upon any Lot at reasonable hours on any day to accomplish such work.

together with the assessments due the Association, in a lump sum. In the absence of such certification, the Association shall assume that the assessments due the Master Association with respect to any particular Lot are the same as the assessments previously imposed against such Lot in the last previous assessment period for which a certification was given. The Association shall pay sums collected by it as agent for the Master Association to the Master Association within thirty (30) days of the receipt thereof. In the event that only a portion of the lump sum assessments are collected, the amount collected shall be applied first to the assessments of the Association and then to the Master Association.

The Association may, at any time and from time to time, cease collecting the assessments due the Master Association upon sixty (60) days prior written notice to the Association (whereupon it shall be the duty of the Master Association to make such collections in its own behalf) and may, at any time and from time to time thereafter, again elect to make such collections as provided herein, all at the sole option of the Association.

SECTION 5. INCORPORATION BY REFERENCE: To the extent not inconsistent or in conflict with the provisions set forth herein, all of the provisions of Article VI of the Master Covenants are incorporated herein by reference, substituting the word "Association" for "Master Association" where the context requires.

(j) "SUB-ASSOCIATION" shall mean any "Village" composed of any type of dwelling or structure such as but not limited to, "Estate Home", "Town home", "Golf Villa", "Patio Home", "Duplex", "Single Family, Multi-Family," or, "Condominium" phase of development or other association created or to be created to administer specific portions of the Development and common properties or elements lying within such portions pursuant to a declaration of condominium or declaration of covenants and restrictions affecting such portions.

(k) "THE PROPERTIES" shall mean and refer to all such existing properties, and additions thereto, as are now or hereafter made subject to this Declaration, except such as are withdrawn from the provisions hereof in accordance with the procedures set forth in this Declaration.

(l) "UNIT" shall mean and refer to any dwelling unit constructed on a Lot (whether separately owned by the Owner of such Lot and whether such unit is located in a single-family or multi-family building), or any condominium dwelling unit in any multi-family condominium building that may be erected on any parcel of land within The Properties, which land is designated by Developer by recorded instrument to be subject to this Declaration (and to the extent Developer is not the Owner thereof, then by Developer joined by the Owner thereof).

(m) "OUTLOT" shall mean and refer to a parcel designated as an Outlot on a subdivision plat.

All references in this instrument to recording data refer to the Public Records of Waukesha County, Wisconsin.

ARTICLE II

PROPERTY SUBJECT TO THIS DECLARATION; ADDITIONS THERETO

SECTION 1. LEGAL DESCRIPTION: The initial real property which is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in Waukesha County, Wisconsin, and is more particularly described in Exhibit C attached hereto and shall initially constitute the "Properties". To the extent all or any portion thereof is not owned by the Developer, the respective Owners thereof shall have joined in this Declaration, for the purpose of subjecting that portion of the Properties owned by each of them, to this Declaration.

SECTION 2. SUPPLEMENTS: Developer may from time to time bring other land in and outside the Development under the provisions of this Declaration by recorded supplemental declarations [which shall not require the consent of then existing Owners (except in the case of an Existing Parcel or property not then owned by Developer, in which case the Owner thereof shall join in the applicable supplemental declaration) or the Master Association] and thereby add to the Properties and the Development. It is the present intention of the Developer that all real property within the Development owned by Developer or its affiliates (and all Existing Parcels owned by others to the extent made Lots or Units as elsewhere herein provided) shall eventually be made a part of The Properties and, accordingly, reference herein to The Properties should be deemed to refer to all of such portions of the Development. Nothing in this Declaration, however, shall obligate Developer to add to the initial portion of The Properties or to develop future portions of the Development under such common scheme, nor to prohibit Developer (or the applicable Developer-affiliated Owner) from rezoning and changing the development plans with respect to such future portions, and/or the Developer from adding additional or other property to the Development and The Properties under such common scheme. All Owners, by acceptance of a deed to their Lots, thereby automatically consent to any such rezoning, change, addition or deletion thereafter made by the Developer (or the applicable Developer-affiliated Owner thereof) and shall evidence such consent in writing if requested to do so by the Developer at any time. With respect to the Existing Parcels and other property not owned by the Developer and its affiliates, the Developer shall have the right to impose (and retain for its own account) fees for the privilege of allowing such Existing Parcels and other property, or

any of them or it, to be made subject to this Declaration as aforesaid.

ARTICLE III MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

SECTION 1. MEMBERSHIP: Every person or entity who is an Owner shall be a Member of the Master Association. Notwithstanding the foregoing, any such person or entity who merely holds record ownership as security for the performance of an obligation shall not be a Member of the Master Association.

SECTION 2. VOTING RIGHTS: The Master Association shall have three (3) classes of voting members:

CLASS A. Class A Members shall be all those Owners as defined in Section 1 with the exception of (i) the Developer (as long as the Class B membership shall exist, and thereafter, the Developer shall be a Class A Member to the extent it otherwise would qualify), and (ii) the Class C Members. Class A Members shall be entitled to one vote for each Lot owned. When more than one person is the Owner of any Lot, all such persons shall be Members, and the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any such Lot.

CLASS B. The Class B Member shall be the Developer. The Class B Member shall be entitled to one (1) vote, plus two (2) votes for each vote which the Class A and Class C Members are entitled to cast in the aggregate from time to time, provided that the Class B membership shall cease and terminate one (1) year after the last Lot within the Development owned by Developer (or its affiliates) has been sold and conveyed and all other portions of the Development owned by Developer (or its affiliates) have been conveyed to third-parties, or at any time prior to that date at the election of the Developer.

CLASS C. Class C Members shall be all those Owners of Lots on which condominiums may be constructed, with the exception of the Developer (as long as Class B membership shall exist, and thereafter, the Developer shall be a Class C Member to the extent it would otherwise qualify), and the Class B Members. Each Class C Member, for each non-declared condominium project owned by it, shall be entitled to the number of votes equal to the number of "Lots" deemed to exist from time to time on each such Lot for assessment purposes as hereinafter provided. In case any such Lot(s) on which a non-declared condominium project is constructed or owned by more than one person, all such Owners shall determine jointly how the votes attributable to such Lot(s) shall be voted.

NOTWITHSTANDING any provision to the contrary, the Developer shall have the right to elect a majority of the Board of Directors of the Master Association until one (1) year after the Developer (and its affiliates) no longer holds title to any portion of the Development, unless such right is relinquished prior thereto. In such case, the then existing Members shall be obligated to elect the Board and assume control of the Master Association).

SECTION 3. GENERAL MATTERS: When reference is made in this Declaration, or in the Articles, By-Laws, Rules and Regulations, Management Contracts or otherwise, to a majority or specific percentage of Members, such reference shall be deemed to be reference to a majority or specific percentage of the votes of Members and not of the Members themselves.

ARTICLE IV

PROPERTY RIGHTS IN THE COMMON AREAS

SECTION 1 OWNERSHIP: The Common Areas as defined herein are hereby dedicated to the joint and several use, in common, of the Developer and the Master Association for the benefit of the Owners of all Lots that may from time to time constitute part of the Properties, in the manner specified in this Declaration. When all improvements proposed by Developer to be constructed within the Properties have been completed and conveyed to purchasers (if applicable), or sooner at Developer's option exercisable from time to time as to any portion or all of the Common Areas, the Developer, or its successors and assigns, shall convey and transfer (or cause to be conveyed and transferred) the record fee simple title to the Common Areas (except those areas lying within dedicated areas or not capable of being legally described) to the Master Association, and the Master Association shall accept such conveyance, holding title for the benefit of the Owners and Members as stated in the preceding sentence. Beginning upon the date these covenants are recorded, the Master Association shall be responsible for the maintenance of all Common Areas (whether or not conveyed or to be conveyed to the Master Association) in a continuous and satisfactory manner without cost to the general taxpayers of Waukesha County or the City of Muskego unless such governmental entities should exercise their right of eminent domain or require that such areas be treated as public property. It is intended that all real estate taxes assessed against that portion of the Common Areas owned or to be owned by the Master Association shall be proportionally assessed against and payable as part of the taxes of the Lots within the Properties. However, in the event that, notwithstanding the foregoing, any such taxes are assessed directly against the Common Areas, the Master Association shall be responsible for the payment of the same, including taxes on any improvements and any personal property thereon accruing from and after the date these covenants are recorded, and such taxes shall

be prorated between Developer (or the then Developer-affiliated Owner thereof) and the Master Association as of the date of such recordation.

It is further denoted that neither Waukesha County, Wisconsin nor the City of Muskego shall be liable for any fees or special assessments imposed upon such Common Areas or Outlots in the event either shall become the owner of any such Common Areas or Outlots within the Properties by reason of tax delinquency.

SECTION 2. MEMBERS' EASEMENTS: Each Class A and the Class B Member of the Master Association, and each tenant, agent and invitee of such Member, shall have a permanent and perpetual non-exclusive easement for the use and enjoyment of all Common Areas in common with all other such Members of the Master Association, their tenants, agents and invitees. The Class C Members and their tenants, agents and invitees shall also be entitled to such rights of use and enjoyment of all Common Areas. All non-resident persons holding golf or other related Country Club memberships as well as non-member customers of the Country Club for whatever purpose, shall be entitled solely to use and enjoy the various streets, roadways, sidewalks, and other access areas as form portions of the Common Areas.

All rights of use and enjoyment of the Common Areas are subject to the following:

- (a) Easements now or hereafter created over and upon the Common Areas in favor of all Sub-Associations and their Members.
- (b) The right and duty of the Master Association to levy assessments against each Lot (excluding the Country Club) for the purpose of maintaining the Common Areas and facilities in compliance with the provisions of this Declaration and with the restrictions on the plats of portions of the Properties as from time to time recorded.
- (c) The right of the Master Association to suspend the voting rights and the right of an Owner (or Member) and his designees to use of the Common Areas (except for roads), for any period during which any applicable assessment remains unpaid; and for a period not to exceed sixty (60) days for any infraction of lawfully adopted and published rules and regulations.
- (d) The right of the Master Association to charge admission and other fees for the use of any recreational facility situated on the Common Areas.
- (e) The right of the Master Association to adopt at any time and from time to time and enforce rules and regulations governing the use of the Common Areas and all facilities at any time situated thereon, including the right to fine Members as elsewhere provided

herein. Any rule and/or regulation so adopted shall apply until rescinded or modified as if originally set forth at length in this Declaration.

(f) The right of the Association, by a 2/3rds affirmative vote of the entire membership, to dedicate portions of the Common Areas to a public agency or body under such terms as the Association deems appropriate and to create or contract with special taxing districts or other agencies for lighting, roads, recreational or other services, security, communications and other similar purposes deemed appropriate by the Association to which such creation or contract all Owners hereby consent.

(g) Anything to the contrary in this Declaration notwithstanding, the Developer shall have the right to permit persons other than Members and designated persons to use certain portions of the Common Areas under such terms as Developer, its successors and assigns, may from time to time desire without interference from the Association.

(h) The right to the use and enjoyment of the Common Areas and facilities thereon in the case of Class A and Class C Members shall extend to each permitted user's immediate family who reside with him, as well as non-resident family members and guests, subject to rules and regulations adopted from time to time by the Master Association in its lawfully adopted and published rules and regulations.

SECTION 3. GOLF COURSE EASEMENTS:

There is hereby imposed on each Lot, an easement to allow golf balls to land on such Lots and golfers shall have the right to enter upon such Lots (on foot only) for the purpose of lifting and removing - but not hitting - such golf balls therefrom. All Owners hereby accept, as a condition of residency, the fact that golf balls are not capable of precise control during the course of a game of golf and therefore, accept responsibility for all damage done to their property or persons by such golf balls.

All owners hereby accept the fact that maintenance of the various open spaces and amenities, such as the golf course, requires various maintenance practices which create noise at various times of the day and evening and hereby waive any claims for recompense or damages based on noise created at such times and due to such practices.

SECTION 4. EASEMENTS APPURTENANT: The easements provided for in Section 2 and Section 3 shall be appurtenant to and shall pass with the title to each Lot.

SECTION 5. MAINTENANCE: The Master Association shall at all times maintain in good repair, operate, manage and insure the

Common Areas, and shall replace as often as necessary, any and all improvements situated on the Common Areas (upon completion of construction by Developer or its affiliates, if applicable), including, but not limited to, all recreational facilities, landscaping, identification signs, paving, drainage structures, street lighting fixtures and appurtenances, sidewalks, bicycle/jogging paths, lakes, ponds, or other structures and improvements and, excepting utilities and fixtures previously deeded to units of government, all such work to be done as ordered by the Board of Directors of the Master Association. Certain Common Areas located outside the Development, such as entry features and signage, may be shared by others, in which case all costs of such repair, operation, management and insurance shall be shared by the appropriate Associations or Sub-Associations or other responsible parties. Maintenance of street lighting fixtures (if not deemed to belong to local governmental agencies) shall include and extend to payment for electricity consumed in their illumination. Without limiting the generality of the foregoing, the Master Association shall assume all of Developer's, its affiliates' (and its and their predecessors' and assigns) responsibility to Waukesha County, the City of Muskego or other government agency of any kind with respect to the Common Areas and entry features, and shall indemnify Developer and its affiliates and hold Developer and its affiliates harmless with respect thereto. All work pursuant to this Section and all expenses hereunder shall be paid for by the Master Association through assessments imposed in accordance herewith.

In the event storm drainage facilities for the benefit of the Properties, such as drainage ditches, culverts and/or storm water retention/sedimentation ponds, are located on Country Club grounds, they shall be treated as "Common Areas" in the sense of maintenance responsibility. The City of Muskego shall have a permanent easement for entrance upon the Country Club grounds in the areas of such facilities for purposes of inspection. Should the Master Maintenance Association fail to uphold its responsibilities for such maintenance, the City of Muskego shall have a permanent easement to enter upon the Country Club grounds for the performance of necessary maintenance after notice in writing, containing a reasonable time period in which to correct the noted deficiencies, to the Master Association of the work required to be performed. If the deficiencies have not been corrected during this time period the City shall have the right to enter upon the premises and correct the deficiencies noted, as well as any necessary restoration of the golf course grounds, and assess all costs to the Master Maintenance Association.

In order to effect economies of scale, the Master Association, on behalf of itself and/or all or appropriate Sub-Associations, shall have the power to incur, by way of contract or otherwise, expenses general to the Development, or appropriate portions thereof, and the Master Association shall then allocate portions of such expenses among the Master Association and/or affected

Sub-Associations, based on the number of Lots in the Master Association and in each Sub-Association. The portion so allocated to the Master Association or any Sub-Association shall be deemed a general expense thereof, collectible through assessments. No owner may waive or otherwise escape liability for the assessments for such maintenance by non-use of the Common Areas or abandonment of his right to use of the Common Areas.

SECTION 6. UTILITY EASEMENTS: Public and private utilities (including water service), shall be installed underground in the public easements wherever possible and when and where necessary for the service of the Properties. The Developer and its affiliates and it and their designees shall have the right also to install and maintain community and/or cable TV and security and other communications lines, equipment and material and all future technological advances not now known in the Development and perpetual easements are hereby reserved for the Developer and its affiliates and such designees over the Common Areas and designated easements for this purpose. All use of utility, cable TV and communication easements shall be in accordance with the applicable provisions of this Declaration.

SECTION 7. PUBLIC EASEMENTS: Fire, police, health and sanitation and other public service personnel and vehicles shall have a permanent and perpetual easement for ingress and egress over and across the Common Areas in respect to drainage facilities as outlined in Section 5 above. It is further and specifically understood that members and patrons of the Country Club are to retain a permanent right of easement for ingress and egress across or on any and all streets, roadways, sidewalks or other access areas in the Common Areas necessary to maintain the flow of golf course traffic in the course of any playing or maintaining of the golf course.

SECTION 8. COUNTRY CLUB MEMBERSHIP EASEMENTS: It is expressly understood and agreed that all users of the Country Club golf course or other facilities must abide by all rules established by the Country Club and as from time to time adopted, amended and/or published.

SECTION 9. OWNERSHIP: Without limiting the generality of the foregoing, Developer and its affiliates shall have the specific right to maintain, upon any portion of The Properties, sales, administrative, construction, or other offices without charge. Appropriate easements of access, use and the right to affix appropriate directional and informational signage are expressly reserved unto the Developer, its Affiliates and their successors, assigns, employees and contractors, for this purpose. Any obligation to complete portions of the Common Areas shall, at all times, be subject and subordinate to these rights and easements and to the above referenced activities. Accordingly, the Developer

shall not be liable for delays in such completion to the extent resulting from the above referenced activities.

SECTION 10. OTHER EASEMENTS: Easements are reserved over each Lot and the Common Areas in favor of each other Lot and the Common Areas in order to permit drainage and run-off from one Lot (and its improvements) to another or to the Common Areas and from the Common Areas to any Lot or Lots.

ARTICLE V

MASTER ASSOCIATION - COVENANT FOR MAINTENANCE ASSESSMENTS

SECTION 1. CREATION OF THE LIEN AND PERSONAL OBLIGATION OF THE ASSESSMENTS: Except as provided elsewhere herein, the Developer (and each party joining in this Declaration or in any supplemental declaration), for each Lot owned by it (or them) within the Properties hereby, respectively, covenant and agree, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree, to pay to the Master Association annual assessments or charges for the maintenance, operation, management and insurance of the Common Areas as provided herein, and including, but not limited to,

(1) The items described herein as Common Areas and areas of common interest whether or not such items are owned by Sub-Associations or otherwise.

(2) Such reasonable reserves as the Master Association may deem necessary; and,

(3) Capital improvement assessments as provided herein, all such assessments to be fixed, established and collected from time to time as hereinafter provided. In addition, special assessments may be levied against particular Owners and Lots for fines, expenses incurred against particular Lots and/or Owners to the exclusion of others and other charges against specific Lots or Owners as contemplated in this Declaration. The annual and special assessments, together with late charges, interest and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with late charges, interest and costs of collection thereof as hereinafter provided, shall also be the personal obligation of all Owner(s) of such property from time to time. All assessments shall be imposed equally against all Lots within a Sub-Association and those that may in the future be subject to liens of the Master Association (except as provided herein with respect to charges or assessments which are made against one or more Lots to the exclusion of others), provided that in the case of any multi-Unit

condominium located or to be located on any Lot, the Owner thereof shall be assessed for each Unit contained or expected to be contained (on the basis of building permits issued) in such multi-Unit condominium as if each such existing (or permitted) Unit were a Lot for this purpose and the total of such assessments shall be a lien against the underlying Lot. In the case of condominiums, upon the filing in the public records of the declaration of condominium therefor, each Unit will become a separate Lot as provided in Article I, Section (g) hereof.

SECTION 2. PURPOSE OF ASSESSMENTS: The assessments levied by the Master Association shall be used exclusively for maintenance, operation, management, taxes, special assessments, replacement and insurance of the Common Areas as provided herein, security-related purposes and to promote the health, safety, welfare and recreational opportunities of the Members of the Master Association and their families residing with them (if applicable) and their agents and invitees.

SECTION 3. CAPITAL IMPROVEMENTS: Funds in excess of \$150,000 in any one case which are necessary for the addition or replacement of capital improvements (as distinguished from repairs and maintenance) relating to the Common Areas and which have not previously been collected as reserves or are otherwise available to the Master Association may be levied as special assessments by the Master Association upon approval by a majority of the Board of Directors of the Master Association and upon approval of 66-2/3 percent favorable vote of Members voting at a meeting by ballot as may be provided by the By-Laws of the Master Association.

SECTION 4. DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS: Due Dates: The annual assessments provided for in this Article shall commence on the first day of the month next following the recordation of these covenants and shall be applicable through December 31 of such year. Each subsequent annual assessment shall be imposed for the year beginning January 1 and ending December 31. The annual assessments shall be payable in advance in monthly, quarterly, semi-annual or annual installments as determined by the Board of Directors of the Master Association. The assessment amount (and applicable installments) may be changed at any time by said Board from that originally stipulated or from any other assessment that is in the future adopted. The original assessment for any year shall be levied for the calendar year (to be reconsidered and amended, if necessary, every six (6) months), but the amount of any revised assessment to be levied during any period shorter than a full calendar year shall be in proportion to the number of months (or other appropriate installments) remaining in such calendar year. The due date of any special assessment shall be fixed in the Board resolution authorizing such assessment.

SECTION 5. DUTIES OF THE BOARD OF DIRECTORS: The Board of Directors of the Master Association shall fix the date of

commencement and the amount of the assessment against each Lot for each assessment period, to the extent practicable, at least thirty (30) days in advance of such date or period, and shall, at that time, prepare a roster of the Lots, the Owners thereof and assessments applicable thereto, which shall be kept in the office of the Master Association and shall be open to inspection by an Owner. Written notice of the applicable assessment shall thereupon be sent to every Owner subject thereto thirty (30) days prior to payment, except as to emergency assessments. In the event no such notice of a change in the assessment for a new assessment period is given, the assessment amount payable shall continue to be the same as the amount payable for the previous period, until changed in the manner provided for herein.

The Master Association shall, upon demand at any time, furnish to any owner liable for an assessment, a certificate in writing and signed by an officer of the Master Association setting forth whether such assessment has been paid as to any particular Lot. Such certificate shall be conclusive evidence of payment of any assessment to the Master Association therein stated to have been paid. The Master Association, through the action of its Board of Directors, shall have the power, but not the obligation, to acquire, by purchase, lease or otherwise, one or more Units for occupancy by its employees or independent contractors, and to enter into an agreement or agreements from time to time with one or more persons, firms or corporations (including affiliates of the Developer) for management and/or maintenance services. The Master Association shall have all other powers provided in its Articles of Incorporation and By-Laws.

SECTION 6. COLLECTION OF ASSESSMENTS; EFFECT OF NON-PAYMENT OF ASSESSMENTS; THE PERSONAL OBLIGATIONS; THE LIEN; REMEDIES OF THE ASSOCIATION: Each Sub-Association shall collect the assessments of the Master Association applicable to its members. All such assessments shall be collected as part of a lump sum charge imposed by the Sub-Association for assessments of the Master Association and the Sub-Association. That portion of the lump sum attributable to assessments of Association shall be certified to the Sub-Associations with respect to each applicable Lot by the Association at least thirty (30) days prior to the applicable assessment period, and in the absence of such certification, the Sub-Association shall assume that the assessments due the Association with respect to any particular Lot are the same as the assessments previously imposed against such Lot by the Association in the last previous assessment period for which a certification was given. The Sub-Associations shall pay sums collected on behalf the Association to the Association within thirty (30) days of the date of receipt of such sums. The Sub-Associations may, at any time and from time to time, cease collecting the assessments due the Association upon sixty (60) days prior written notice to the Association, (whereupon it shall be the duty of the Association to make such collections directly), and

may, at any time and from time to time thereafter, again elect to make such collections as provided herein, all at the sole option of the Sub-Associations.

In making such collections for the Master Association, the Sub-Associations are acting only as a collection agent on behalf of the Master Association and sums collected as such agent shall not be considered assessments of the Sub-Associations for any purpose. All remedies for non-payment of the Master Association's assessments shall be vested in and pursued solely by the Master Association directly against the applicable Owners.

If the installments of an assessment are not paid on the dates when due (being the dates specified herein), then such installments shall become delinquent and shall, together with late charges, interest and the cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the appropriate Lot, which shall bind such Lot (or interest) in the hands of the then Owner, his heirs, personal representatives, successors and assigns. The personal obligation of the then Owner to pay such assessment shall pass to his successors in interest and recourse may be had against either or both.

If any installment of an assessment is not paid within fifteen (15) days after the due date, at the option of the Master Association, a late charge not greater than the amount of such unpaid installment may be imposed, provided that only one late charge may be imposed on any one unpaid installment and if such installment is not paid thereafter, it and the late charge shall accrue interest as provided herein but shall not be subject to additional late charges, and provided further however, that each other installment thereafter coming due shall be subject to one late charge each as aforesaid, or the next 12 month's worth of installments may be accelerated and become immediately due and payable in full, and all sums due shall bear interest from the dates when due at the rate of 12% per annum until paid and the Master Association may bring an action at law against the Owner(s) personally obligated to pay the same or may record a claim of lien as evidence of its lien rights (as hereinabove provided for) against the property on which the assessments and late charges are unpaid, or may foreclose the lien against the property on which the assessments and late charges are unpaid, or pursue one or more of such remedies at the same time or successively, and attorneys' fees and costs of preparing and filing the claim of lien and the complaint, if any, in such action shall be added to the amount of such assessments, interest and late charges, and in the event a judgment is obtained, such judgement shall include all such sums as above provided and a reasonable attorneys' fee to be fixed by the court, together with the costs of the action, and the Master Association shall be entitled to attorneys' fees in connection with any appeal of any such action.

In the case of an acceleration of the next 12 months' worth of installments, each installment so accelerated shall be deemed, initially, equal to the amount of the then most current delinquent installment, provided that if any such installment so accelerated would have been greater in amount by reason of a subsequent increase in the applicable budget, the Owner of the Lot whose installments were so accelerated shall continue to be liable for the balance due and payable by reason of such an increase and special assessments against such Lot shall be levied by the Association for such purpose.

In addition to the rights of collection of assessments stated in this Section, any and all persons acquiring the title to or the interest in a Lot as to which the assessment is delinquent, including, without limitation, persons acquiring title by operation of law and by judicial sale, shall not be entitled to the occupancy of such Lot or the enjoyment of the Common Areas until such time as all unpaid and delinquent assessments due and owing from the selling Owner have been fully paid, and no sale or other disposition of Lots shall be permitted until an estoppel letter is received from the Master Association acknowledging payment in full of all assessments and other sums due; provided however, that the provisions of this sentence shall not be applicable to the mortgagees and purchasers contemplated by Section 7 of this Article.

It shall be the legal duty and responsibility of the Sub-Associations to enforce payment of the assessments hereunder. The Sub-Associations shall have the right to foreclose and/or enforce payment of the assessments in the name of Association if necessary. Failure of the Sub-Associations to send or deliver bills shall not, however, relieve Owners from their obligations hereunder.

All assessments, late charges, interest, penalties, fines, and other sums provided for herein shall accrue to the benefit of the Master Association. All attorneys fees and costs shall accrue to the Sub-Association paying such items.

Owners shall be obligated to deliver the documents originally received from the Developer, containing this and other declarations and documents, to any grantee of such Owners.

The Master Association shall have such other remedies for collection and enforcement of assessments as may be permitted by applicable law. All remedies are intended to be cumulative.

SECTION 7. SUBORDINATION OF THE LIEN: The lien of the assessment provided for in this Article shall be subordinate to tax liens and to the lien of any mortgage recorded prior to recordation of a claim of lien, which mortgage encumbers any Lot and is in favor of any institutional lender and is now or hereafter placed upon a portion of the Properties subject to assessment; provided, however,

that any such mortgagee when in possession of, any receiver, and in the event of a foreclosure, any purchaser at a foreclosure sale, and any such mortgagee acquiring a deed in lieu of foreclosure, and all persons claiming by, through or under any such purchaser or such mortgagee, shall hold title subject to the liability and lien of any assessment coming due after such possession or foreclosure (or conveyance in lieu of foreclosure). Any unpaid assessment which cannot be collected as a lien against any Lot by reason of the provisions of this Section shall be deemed to be an assessment divided among, payable by and a lien against all Lots as provided in Section 1 of this Article, including the Lot as to which the foreclosure (or conveyance in lieu of foreclosure) took place. Liens for assessment under this Article shall be superior to liens for assessments of the Sub-Associations which may be referred to in declarations of restrictions and protective covenants recorded with respect to certain Lots. In the event only a portion of the assessments of the Master Association and Sub-Associations are collected, the amount collected shall be applied first to assessments of the Master Association and the balance, if any, shall be paid to such Sub-Associations.

SECTION 8. EFFECT ON DEVELOPER: Notwithstanding any provision that may be contained to the contrary in this instrument, for so long as Developer (or any of its affiliates) is the owner of any Lot or undeveloped property within the Properties, neither the Developer, nor any such affiliates, shall be liable for assessments against such Lots, provided that Developer either:

(1) Funds an amount equal to the amount of operating expenses (exclusive of reserves and management fees) incurred during such period of time when not produced by assessments from other Members of the Master Association, or

(2) Certifies to the Association in advance for any particular calendar year and pays during such year an amount which the Developer is willing to contribute to the Association for such year (all additional expenses to be borne by the Owners other than the Developer as part of their assessments as provided herein). Developer may at any time and from time to time commence (or require such affiliates to commence) paying assessments as to Lots that it or they own and thereby automatically terminate its obligation to fund deficits or make such contributions, but may at any time thereafter and from time to time again elect to follow either of the procedures specified in the preceding sentence. When all Lots within the Properties are sold and conveyed to purchasers, neither Developer, nor its affiliates, shall have further liability of any kind to the Master Association for the payment of assessments, deficits or contributions.

SECTION 9. TRUST FUNDS: The portion of all regular assessments collected by the Master Association for reserves for future expenses, and the entire amount of all special assessments, shall

be held by the Master Association for the Owners of all Lots, as their interests may appear, and the Master Association may invest such funds in interest bearing accounts or in certificates of deposit or other like instruments or accounts available at banks or savings and loan institutions, the deposits of which are insured by an agency of the United States government.

SECTION 10. SPECIFIC DAMAGE: Owners (on their behalf and on behalf of their children and guests) causing damage to any portion of the Common Areas or the Country Club property as a result of misuse, negligence, failure to maintain, follow rules or other wise, shall be directly liable to the Master Association and a special assessment may be levied therefor against such Owner or Owners. Such special assessments shall be subject to all of the provisions hereof relating to other assessments, including, but not limited to, the lien and foreclosure procedure.

ARTICLE VI RULES AND REGULATIONS

SECTION 1. COMPLIANCE BY OWNERS: Every Owner and his tenants, family, guests, invitees, employees and agents shall comply with any and all rules and regulations adopted by the Master Association as contemplated herein.

SECTION 2. ENFORCEMENT: Failure to comply with such rules and regulations shall be grounds for immediate action which may include, without limitation, an action to recover sums due for damages, injunctive relief or any combination thereof. The Master Association shall have the right to suspend voting rights, use of Common Areas as specified herein.

SECTION 3. FINES: In addition to all other remedies, in the sole discretion of the Board of Directors of the Master Association, a fine or fines may be imposed upon an Owner for failure of an Owner, his tenants, family, guests, invitees, employees or agents, to comply herewith or with any rule or regulation, provided the following procedures are adhered to:

- (a) NOTICE: The Master Association shall notify the Owner of the alleged infraction or infractions in writing delivered to the address of record. Included in the notice shall be the date and time of a special meeting of the Board of Directors, or duly appointed committee, at which time the Owner shall present reasons why penalties should not be imposed. At least six (6) days written notice of such meeting shall be given.
- (b) HEARING: The non-compliance shall be presented to the Board of Directors, or duly appointed committee, after which the Board of Directors, or applicable committee, shall hear reasons why penalties should not be imposed. A written

decision of the Board of Directors shall be submitted to the Owner not later than twenty-one (21) days after the Board of Directors or committee meeting. The Owner shall have a right to be represented by counsel and to cross-examine witnesses. If the impartiality of the Board is in question, the Board shall appoint three (3) impartial Members to a special hearing panel.

- (c) PENALTIES: The Board of Directors (if its or such panel's findings are made against the Owner) may impose special assessments against the Lot owned by the Owner as follows:

- (1) First non-compliance or violation in a calendar year:

- (3) Third and subsequent non-compliance in a calendar year or a violation or violations which are of a continuing nature: A fine not to exceed One Thousand Dollars (\$1,000.00)

NOTE: The amounts of such fines enumerated above may be adjusted annually, at an annual meeting of the Board of Directors, to reflect inflation and/or other costs.

- (d) PAYMENT OF PENALTIES: Fines shall be paid not later than five (5) days after notice of the imposition or assessment of the penalties.
- (e) COLLECTION OF FINES: Fines shall be treated as special assessments subject to the provisions for the collection of assessments as set forth herein.
- (f) APPLICATION OF PENALTIES: All monies received from fines shall be allocated as directed by the Board of Directors.
- (g) NON-EXCLUSIVE REMEDY: These fines shall not be construed to be exclusive, and shall exist in addition to all other rights and remedies to which the Master Association may be otherwise legally entitled. However, any penalty paid by the offending Owner shall be deducted from or offset against any damages which the Master Association may otherwise be entitled to recover by law from such Owner.

SECTION 4. INITIAL RULES AND REGULATIONS: Attached to this Declaration as "Schedule A" are the initial rules and regulations of the Master Association which are incorporated into this Declaration by this reference and which may be modified, in whole or in part at any time, by the Board without the necessity of

recording such new or modified rules and regulations in the public records.

ARTICLE VII

ARCHITECTURAL CONTROL; GENERAL POWERS

SECTION 1. MEMBERS OF COMMITTEE: The Architectural Control Committee, sometimes referred to in this Declaration as the "Committee", shall consist of a minimum of three (3) members. The initial members of the Committee shall consist of persons designated by the Developer. Each of the initial members shall hold office until all Lots and improvements planned for the Development have been constructed and conveyed (if appropriate), or sooner at the option of Developer. Thereafter, each new member of the Committee shall be appointed by the Board of Directors and shall hold office until such time as he or she has resigned, has been removed or his successor has been appointed, as provided herein. Members of the Committee may be removed at any time without cause. The Board of Directors shall have the right to appoint and remove all members of the Committee.

SECTION 2. REVIEW OF PROPOSED CONSTRUCTION: Subject to Section 9 below, no building, fence, wall or other structure or improvement (including, but not limited to, landscaping, fences, wind protection, basketball hoops, birdhouses, pet houses, swales, asphaltting or other improvements or changes of any kind) shall be commenced, altered, painted, erected or maintained in the Properties, nor shall any addition, change or alteration (including paint or exterior finishing) visible from the exterior of any Unit be made, nor shall any awning, canopy or shutter be attached to or placed upon outside walls or roofs of buildings or other improvements, until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to, and approved in writing by, the Committee (after first having been approved by a Sub-Association or architectural control committee thereof). The Committee shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the Development as a whole, and that the appearance of any structure affected thereby will be in harmony with the surrounding structures and is otherwise desirable. If the proposed construction, alterations or additions are to common elements of a condominium, said approval shall also be subject to the prior approval of the applicable condominium association. The Committee may condition its approval of proposals and plans and specifications as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted.

The Committee may also issue rules or guidelines setting forth procedures for the submission of plans for approval. The Committee may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. Until receipt by the Committee of any required plans and specifications the Committee may postpone review of any plans submitted for approval. The Committee shall have thirty (30) days after delivery of all required materials to approve or reject any such plans, and if not rejected within such 30-day period, said plans shall be deemed approved. The Committee herein shall be the ultimate deciding body and its decisions shall take precedence over all others.

All changes and alterations shall also be subject to all applicable permit requirements and to all applicable governmental laws, statutes, ordinances, rules, regulations, orders and decrees.

SECTION 3. MEETINGS OF THE COMMITTEE: The Committee shall meet from time to time as necessary to perform its duties hereunder. The Committee may from time to time, by resolution unanimously adopted in writing, designate a Committee representative (who may, but need not, be one of its members) to take any action or perform any duties for and on behalf of the Committee, except the granting of variances pursuant to Section 8 hereof. In the absence of such designation, the vote of a simple majority of the members of the Committee shall constitute an act of the Committee.

SECTION 4. NO WAIVER OF FUTURE APPROVALS: The approval of the Committee of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

SECTION 5. COMPENSATION OF MEMBERS: The members of the Committee shall receive no compensation for services rendered, other than reimbursement for expenses actually incurred by them in the performance of their duties hereunder.

SECTION 6. INSPECTION OF WORK: Inspection of work and correction of defects therein shall proceed as follows:

- (a) Upon completion of any work for which approved plans are required under this Article, the applicant (who may be an Owner or an appropriate Sub-Association) shall give written notice of completion to the Committee.
- (b) Within sixty (60) days thereafter, the Committee or its duly

authorized representative may inspect such improvement. If the Committee finds that such work was not effected in substantial compliance with the approved plans, it shall notify the Applicant in writing of such non-compliance within such sixty (60) day period, specifying the particulars of non-compliance, and shall require the Applicant to promptly remedy the same.

- (c) If, upon the expiration of thirty (30) days from the date of such notification, the Applicant shall have failed to remedy such non-compliance, the Committee shall notify the Board in writing of such failure. The Board shall then determine whether there is a non-compliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a non-compliance exists, the Applicant shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling. If the Applicant does not comply with the Board ruling within such period, the Board, at its option, may either remove the non-complying improvement or remedy the non-compliance, and the Applicant shall reimburse the Master Association, upon demand, for all expenses incurred in connection therewith, plus an administrative charge to be determined by the Master Association (to cover the Master Association's administrative expenses in connection with the foregoing and to discourage the Applicant from failing so to comply). If such expenses are not promptly repaid by the Applicant to the Master Association, the Board shall levy a special assessment against such Applicant and his property for reimbursement. In the event said Applicant is a Sub-Association, the aforementioned special assessment shall be levied against all Units or Lots in the Sub-Association in proportion to their respective share of the common expenses of said Sub-Association.
- (d) If, for any reason, the Committee fails to notify the Applicant of any non-compliance within sixty (60) days after receipt of said written notice of completion from the Applicant, the improvement shall be deemed to have been made in accordance with said approved plans.

SECTION 7. NON-LIABILITY OF COMMITTEE MEMBERS: Neither the Committee nor any member thereof, nor its duly authorized Committee representative, shall be liable to the Association, any Sub-Association, or to any Owner or any other person or entity for any loss, damage or injury arising out of or in any way connected with the performance or non-performance of the Committee's duties hereunder. The Committee shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition solely on the basis of aesthetic considerations and the benefit or detriment which would result to the immediate vicinity and to the Development. The

Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of building, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the stand-point of structural safety or conformance with building or other codes.

SECTION 8. VARIANCE: The Committee may authorize variances from compliance with any of the architectural provisions of this Declaration when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations require. Such variance must be evidenced in writing which must be signed by at least a majority of the Committee. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matters for which the variances were granted. The granting of such a variance shall not, however, operate to waive any of the terms and provision of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations, including, but not limited to, zoning ordinances and set-back lines or requirements imposed by an governmental or municipal authority, nor to obtain a similar variance from Sub-Associations or architectural committees having jurisdiction.

SECTION 9. EXEMPTIONS: Developer and its affiliates shall be exempt from the provisions hereof with respect to alterations and additions desired to be effected by any of them and shall not be obligated to obtain Committee approval for any construction or changes which any of them may elect to make at any time, now or in the future.

SECTION 10. GENERAL POWERS OF THE MASTER ASSOCIATION: Subject always to the provisions of Article IX, Section 13 hereof, the Master Association (and the Committee, as appropriate) shall have the absolute power to veto any action taken or contemplated to be taken, and the Master Association shall have the absolute power to require specific action to be taken, by any Sub-Association in connection with appropriate sections of the Development. Without limiting the generality of the foregoing, the Master Association (and the Committee, as appropriate) may veto any decision of any Sub-Association (or architectural control or other committee thereof), and the Master Association may require specific maintenance or repairs or aesthetic changes to be effected, require that a proposed budget include certain items and that expenditures be made therefor, veto or cancel any contract providing for maintenance, repair or replacement of the property

governed by such Sub-Association and otherwise require or veto any other action as the Master Association deems appropriate from time to time.

For this purpose, any proposed action not made in the ordinary day-to-day operations of the Sub-Association and not consistent with Master Association or Committee approved practices must first be brought to the attention of the Master Association by written notice and such action shall not be effected until approved by the Master Association or the Committee, as appropriate, in writing, but if not so approved, such proposed action shall not be effected. Any action required by the Master Association in a written notice to be taken by a Sub-Association shall be taken within the time frame set by the Master Association in such written notice. If the Sub-Association fails to comply with the requirements set forth in such written notice, the Master Association shall have the right to effect such action on behalf of the Sub-Association and shall assess the Lots and Units governed by the Sub-Association for their pro-rata share of any expenses incurred by the Master Association in connection therewith, together with an administrative charge to be determined by the Master Association under the circumstances (to cover the Master Association's administrative expenses in connection with the foregoing and to discourage the Sub-Association from failing to obey the requirements of the Master Association). Such assessments may be collected as special assessments hereunder and shall be subject to all lien rights provided for herein.

ARTICLE VIII

GENERAL PROVISIONS

SECTION 1. DURATION: The covenants and restrictions of this Declaration shall run with and bind the Properties, and shall inure to the benefit of and be enforceable by the Developer, the Master Association, and Sub-Associations established by other covenants that may from time to time be recorded, the Owner of any land subject to this Declaration, and the Committee, and their respective legal representatives, heirs, successors and assigns, for a term of forty-nine (49) years from the date this Declaration is recorded, after which time said covenants shall be automatically extended for successive period of ten (10) years each unless an instrument signed by the then Owners of seventy-five (75) percent of the Lots agreeing to revoke said covenants has been recorded. No such agreement to revoke shall be effective unless made and recorded two (2) years in advance of the effective date of such agreement and unless written notice of the proposed agreement is sent to every Owner of record at least ninety (90) days in advance of any action taken.

SECTION 2. NOTICE: Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when personally delivered or mailed, postpaid, to the last known address of the person who appears as Member or Owner on the records of the Master Association at the time of such mailing.

SECTION 3. ENFORCEMENT: Enforcement of these covenants and restrictions shall be accomplished by means of a proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain violation or to recover damages, and against the land to enforce any lien created by these covenants; and failure of the Master Association, the Developer, the Committee, and Sub-Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. These covenants may also be enforced by any Architectural Control Committee established in other covenants that may from time to time be recorded.

SECTION 4. SEVERABILITY: Invalidation of any one of these covenants or restrictions or any part, clause or word hereof, or the application thereof in specific circumstances, by judgement or court order shall not affect any other provisions or applications in other circumstances, all of which shall remain in full force and effect.

SECTION 5. AMENDMENT: In addition to any other manner herein provided for the amendment of this Declaration, the covenants, restrictions, easements, charges and liens of this Declaration may be amended, changed or added to at any time and from time to time upon the execution and recordation of an instrument executed by the Developer, for so long as it or its affiliates holds title to any Lot or Unit affected by this Declaration; or alternatively, by approval at a meeting of Owners holding not less than 66 and 2/3 percent of the votes of the membership of the Master Association, provided that so long as the Developer or its affiliates is the Owner of any Lot affected by this Declaration, the Developer's consent must be obtained if such amendment, in the sole opinion of the Developer, affects its interest.

SECTION 6. CONFLICT: This Declaration shall take precedence over conflicting provisions in the Articles of Incorporation and ByLaws of the Association and the Articles shall take precedence over the By-Laws.

SECTION 7. EFFECTIVE DATE: This Declaration shall become effective upon its recordation in the Waukesha County Public Records.

SECTION 8. CUMULATIVE EFFECT: The provisions of this Declaration shall be superior to and take precedence over the provisions of any

declarations of restrictions and protective covenants establishing a Sub-Association or applicable to multi-family housing or rental Units that may now or hereafter be recorded from time to time in the Development.

SECTION 9. WITHDRAWAL: Developer reserves the right to amend this Declaration unilaterally at any time, without prior notice and without the consent of any person or entity, for the purpose of removing certain portions of the Properties then owned by the Developer or its affiliates or the Association from the provision of this Declaration to the extent included originally in error or as a result of reasonable changes in the plans for the Development desired to be effected by the Developer.

SECTION 10. STANDARDS FOR CONSENT, APPROVAL, COMPLETION, OTHER ACTION AND INTERPRETATION: Whenever this Declaration shall require the consent, substantial completion, or other action by the Developer or its affiliates, the Association or the Architectural Control Committee, such consent, approval or action may be withheld in the sole and unfettered discretion of the party requested to give such consent or approval or take such action, and all matters required to be completed or substantially completed by the Developer or its affiliates, the Association or the Committee shall be deemed so completed or substantially completed when such matters have been completed or substantially completed in the reasonable opinion of the Developer, Association or Committee, as appropriate. This Declaration shall be interpreted by the Board of Directors and an opinion of counsel of the Association rendered in good faith that a particular interpretation is not unreasonable shall establish the validity of such interpretation.

SECTION 11. EASEMENTS: Should the intended creation of any easement provided for in this Declaration fail by reason of the fact that at the time of creation there may be no grantee in being having the capacity to take and hold such easement, then any such grant of easement deemed not to be so created shall nevertheless be considered as having been granted directly to the Association as agent for such intended grantees, for the purpose of allowing the original party or parties to whom the easements were originally to have been granted, the benefit of such easement and the Owners designate hereby the Developer and the Association (or either of them) as their lawful attorney-in-fact to execute any instrument on such Owners' behalf as may hereafter be required or deemed necessary for the purpose of later creating such easement as it was intended to have been created herein. Formal language of grant or preservation with respect to such easement, as appropriate, is hereby incorporated in the easement provisions hereof to the extent not so recited in some or all of such provisions.

SECTION 12. CPI.: Whenever specific dollar amounts are mentioned in this Declaration (or in the Articles or By-Laws or rules and regulations), unless limited by Law, such amounts will be increased

from time to time by application of a nationally recognized Consumer Price Index chosen by the Board, using the date this Declaration is recorded as the base year. In the event no such consumer price index is available, the Board shall choose a reasonable alternative to compute such increases.

SECTION 13, COVENANTS RUNNING WITH THE LAND: ANYTHING TO THE CONTRARY HEREIN NOTWITHSTANDING AND WITHOUT LIMITING THE GENERALITY (AND SUBJECT TO THE LIMITATIONS) OF SECTION 1 HEREOF, IT IS THE INTENTION OF ALL PARTIES AFFECTED HEREBY (AND THEIR RESPECTIVE HEIRS, PERSONAL REPRESENTATIVES, SUCCESSORS AND ASSIGNS) THAT THESE COVENANTS AND RESTRICTIONS SHALL RUN WITH THE LAND AND WITH TITLE TO THE PROPERTIES. WITHOUT LIMITING THE GENERALITY OF SECTION 4 HEREOF, IF ANY PROVISION OR APPLICATION OF THIS DECLARATION WOULD PREVENT THIS DECLARATION FROM RUNNING WITH THE LAND AS AFORESAID, SUCH PROVISION AND/OR APPLICATION SHALL BE JUDICIALLY MODIFIED, IF AT ALL POSSIBLE, TO COME AS CLOSE AS POSSIBLE TO THE INTENT OF SUCH PROVISION OR APPLICATION AND THEN BE ENFORCED IN A MANNER WHICH WILL ALLOW THESE COVENANTS AND RESTRICTIONS TO SO RUN WITH THE LAND; BUT IF SUCH PROVISION AND/OR APPLICATION CANNOT BE SO MODIFIED, SUCH PROVISION AND/OR APPLICATION SHALL BE UNENFORCEABLE AND CONSIDERED NULL AND VOID IN ORDER THAT THE PARAMOUNT GOAL OF THE PARTIES AFFECTED HEREBY (THAT THESE COVENANTS AND RESTRICTIONS RUN WITH THE LAND AS AFORESAID) BE ACHIEVED.

SECTION 14, DEVELOPER'S INTEREST: It is hereby understood that the Developer has no responsibility or liability in connection with the operation of the Country Club or other recreation facilities on Country Club lands or other recreation facilities within the Properties once constructed and given over to the Master Maintenance Association. The Country Club, although currently an affiliate of the Developer, is a separate and distinct entity, and the duties and liabilities of the Developer are entirely separate from the duties and liabilities of the Country Club and vice versa. Subject to this Declaration, the Country Club shall be the sole judge and have sole discretion as to the size, content, style, amounts, plans and specifications of all of the improvements, facilities, amenities, equipment and personal property of the Country Club; and as to the nature, hours, rules of operation and applicable fees to be charged for use of such facilities. The assets of the Country Club shall not be deemed to be Developer's or Association(s) property and shall not be made subject to any judgement against or liability of the Developer or Association(s) and vice versa.

SECTION 15. LIMITATION ON MASTER ASSOCIATION: Anything in this Declaration to the contrary notwithstanding, the existence or exercise of any easement, right, power, authority, privilege or duty of the Master Association as same pertains to any condominium located within the Development which would cause the Master Association to be subject to any adverse statute of the State of Wisconsin, shall be null and void and of no effect to the extent,

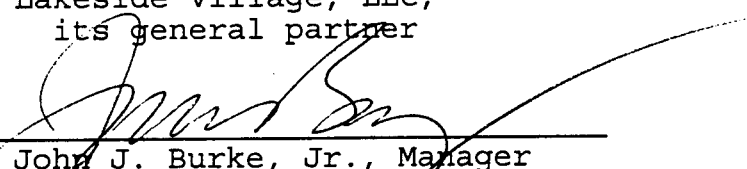

but only to the extent, that such existence or exercise is finally determined to subject the Master Association to such adverse statute. It is the intent of this provision that the Master Association not be deemed to be a condominium association within the meaning of applicable law for any purpose.

SECTION 16. MANDATORY MERGER: The Developer can, by written notice to the Association (and each or all sub-Associations) require any or all of such Sub-Associations and the Association to merge or consolidate (at Developer's election) into a single association which will then govern all the Lots affected by such merger or consolidation under and pursuant to all applicable declarations then affecting such Lots. The consent of Members and members of the Board of Directors to such merger or consolidation shall not be required but, to the extent, notwithstanding the foregoing, they must be obtained, such consents shall be deemed given by acceptance by each of such persons or entities of the respective deeds to each of their respective Lots. In the event of any such merger or consolidation, all regular expenses incurred by the resulting association in respect of all of the properties governed by such Association shall be shared equally by all affected Lots.

EXECUTED as of the date first above written.

SCHEDULE A
RULES AND REGULATIONS
for
COUNTRY CLUB VILLAGES

SECTION 1. GENERAL RESTRICTIONS

1. **COMMON AREAS:** The Common Areas and facilities shall not be obstructed nor used for any purpose other than the purposes intended. Therefore, no cars, carts, golf cars, bicycles, carriages, chairs, tables or any other similar objects shall be stored or parked thereon in more than a transitory manner unless provided by the Master Association, or a Sub-Association in concert with the Master Association, for use by residents while in attendance on such Common Areas.
2. **EMPLOYEES:** Employees of the Master Association, Sub-Associations or the Country Club may not be used by Owners for personal errands. The Board of Directors shall be solely responsible for directing and supervising employees of the Association.
3. **ANIMALS:** No animal, bird, fowl, poultry or livestock, other than a maximum of two (2) generally recognized household pets shall be maintained on any Lot and then only if they are kept, bred or raised thereon solely as domestic pets and not for commercial purposes. No animal, bird, fowl, poultry or livestock shall be allowed to make an unreasonable amount of noise, to become a nuisance or to trespass on the Golf Course or any neighboring Lot or property. No structure for the care, housing or confinement of any animal, bird, fowl, poultry, or livestock shall be maintained on any Lot. Such pets shall never be allowed to run freely upon any of the Common Areas or the Country Club grounds and, when outside of the boundaries of the Owner's Lot, shall be leashed on a leash no longer than six (6) feet and in the company of an individual willing and able to fully control it or them. Any Owner maintaining a pet upon the Properties or whose guests, lessees or invitees bring any animal upon the Properties, shall be fully responsible for and shall bear the expense of any damage to persons or property resulting therefrom. Any person in control of pets shall be responsible for cleaning up after it and no pet may be allowed to defecate or eliminate on any Lot, Common Area, Limited Common Area or the Golf Course. If the Board of Directors of the Association should determine that any particular pet or pets are a nuisance, it shall have the power to compel the Owner to remove said pet or pets from the Properties. Upon the written request of any Owner or Resident, the Board of Directors of the Association shall conclusively determine, in its sole and absolute discretion, whether, for

the purpose of this Section, a particular animal, bird, fowl, poultry, or livestock is a generally recognized household pet, and whether such a pet is a nuisance. The Board shall also have the authority to exempt from the foregoing restrictions, or portions thereof, animals kept by the Country Club owner/operator for purposes of security.

4. TEMPORARY OCCUPANCY AND TEMPORARY BUILDINGS: No trailer basement of any incomplete building, tent, shack, garage or barn, and no temporary buildings or structures of any kind, shall be used at any time for residence, either temporary or permanent. Temporary buildings or structures used during the construction of a dwelling on any property shall be removed immediately after the completion of construction.

5. MAINTENANCE OF LAWNS AND PLANTINGS: Each Owner shall keep all shrubs, trees, hedges, grass and plantings of every kind located on:

- (i) his Lot, including set back areas and limited Common Areas (if any),
- (ii) planted public right-of-way areas between pedestrian ways or bike paths and the street curb in front of his Lot, if any,
- (iii) any other public right-of-way or easement area which abuts the Owner's Lot(s) and which is located between the boundary line of his Lot and the paved area of any street, pedestrian way, bike path or similar area, and
- (iv) any non-street public right-of-way or easement area adjacent to his Lot(s),

neatly trimmed, shall keep all such areas properly cultivated and free of trash, weeds and other unsightly material and shall maintain all paved and concrete areas, including driveways, roadways and parking areas, in good condition and repair; provided, however, that such Owner shall not be responsible for maintenance of any area over which (1) the Master Association or a Sub-Association assumes the responsibility in writing; (2) the Master Association or a Sub-Association has been given such responsibility by a recorded instrument as provided in this Declaration; or (3) the City of Muskego, Waukesha County or other governmental entity assumes responsibility; for so long, in each such case as the Master Association, Sub-Association or City of Muskego, Waukesha County or other governmental entity assumes or has responsibility as provided in this section. The Board may also, in its sole discretion, require landscaping by the Owner of the areas described above on or before expiration of such

time periods as the Board of Directors of the Master Association may establish.

6. NUISANCES: No rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any Lot, and no odors or loud noises shall be permitted to arise or emit therefrom, so as to render any such property or any portion thereof, or activity thereon, unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to the occupants of other such property. No other nuisance shall be permitted to exist or operate upon any Lot so as to be offensive or detrimental to any other property in the vicinity thereof or to its occupants. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, firecrackers, bells or other sound devices, except security devices used exclusively for security purposes, shall be located, used or placed on any such property. Neither shall any unshaded floodlights be maintained which cause light to shine directly into the living areas of any neighboring or adjacent residences. Normal construction activities and parking in connection with the building of improvements on a Lot shall not be considered a nuisance or otherwise prohibited by this Master Declaration, but Lots shall be kept in a neat and tidy condition during construction periods, trash and debris shall not be permitted to accumulate, and supplies of brick, block, lumber and other building materials will be piled only in such areas as may be approved by the Architectural Control Committee. In addition, any construction equipment and building materials stored or kept on any Lot during construction of improvements may be kept only in areas approved by the Committee, which may also require screening of the storage areas. The Board, in its sole discretion, shall have the right to determine the existence of any such nuisance.
7. DISEASES, INSECTS AND OTHER NOXIOUS PESTS: No Owner shall permit any thing or condition to exist upon any Lot which shall induce, breed or harbor potentially infectious plant diseases, insects or noxious pests.
8. REPAIR OF BUILDINGS: No building or structure on any Lot shall be permitted to fall into disrepair and each such building and structure shall, at all times, be kept in good condition and repair and adequately painted or otherwise finished. In the event any building or structure is damaged or destroyed, then, subject to the approvals required by this Declaration, such building or structure shall be immediately repaired or rebuilt or shall be demolished and debris removed.
9. ANTENNAE: No antenna or other device for the transmission or reception of television or radio signals or any other form of electromagnetic radiation shall be erected, used or maintained

outdoors on any Lot, whether attached to a building or structure or otherwise, unless approved by the Architectural Control Committee. This Restriction shall not apply to the Country Club grounds and buildings or the Developer or its affiliates who shall have the right to install and maintain antennae, micro-wave antennae, dishes and satellite antennae and radio and television lines and communications systems for their own use as well as to provide enjoyment to residents and customers.

10. MINERAL EXPLORATION: No Lot, other than an outlet, shall be used in any manner to explore for or to remove any water, oil or other hydrocarbons, minerals of any kind, gravel, earth or any earth substance of any kind. This Restriction shall not apply to the Country Club insofar as excavation for purposes of the creation of lakes and drainage ways or construction of golf course improvements, nor does it apply to the Developer.
11. NOISE: No Owner shall make or permit any disturbing noises in the Properties and facilities by himself or his family, servants, employees, agents, visitors or licensees, nor permit any conduct by such persons that will interfere with the rights, comforts or conveniences of other Owners. No Owner shall play or permit to be played, any musical instrument, nor operate or permit to be operated, a phonograph, television, radio or sound amplifier or any other sound equipment in the Properties and facilities in such a manner as to disturb or annoy other residents (applying reasonable standards). No Owner shall conduct, nor permit to be conducted vocal or instrumental instruction at anytime which disturbs other residents unless permission is first obtained, in writing, from the Committee.
12. TRASH CONTAINERS, COLLECTION AND BURNING: No garbage or trash shall be placed or kept on any Lot except in covered containers of a type, size and style which are approved by the Architectural Control Committee or the collecting agency. In no event shall such containers be maintained so as to be visible from neighboring properties except to make the same available for collection and then only for the shortest time reasonably necessary to effect such collection. The Committee may also, in its sole discretion and at its option, designate the location on a Lot where such containers shall be stored between collection times in order to protect adjacent properties from noise or odors emitting from the use of such containers. All rubbish, trash, or garbage shall be removed from the Lots and shall not be allowed to accumulate thereon. No outdoor incinerators shall be kept or maintained on any Lot and no trash, of any kind, may be burned. No bar-b-que or other outdoor cooking facility shall be located on any Lot nearer than ten (10) feet from either side Lot line unless made a part of the building structure itself.

13. CLOTHES DRYING AND OTHER OUTDOOR FACILITIES: Outside clotheslines or other outside facilities for drying or airing clothes, wood storage piles and other such private facilities shall be installed and maintained in such a way as to be concealed from view by neighboring properties.
14. MACHINERY AND EQUIPMENT: No machinery or equipment of any kind shall be placed, operated or maintained upon or adjacent to any Lot except, (i) such machinery or equipment as is usual and customary in connection with the use, maintenance or construction (during the period of construction) of a building, appurtenant structures, or other improvements; (ii) that which the Developer or the Master Association or appropriate Sub-Association may require for the operation and maintenance of the Properties; or (iii) that used in connection with any commercial activity permitted under the Declaration.
15. SIGNS: No signs whatsoever, including, but not limited to, commercial, political and similar signs, which are visible from neighboring properties shall be erected or maintained on any Lot or within the Properties except:
- (i) Signs required by legal proceedings.
 - (ii) Not more than one identification sign per residence, not to exceed seventy-two (72) square inches of face area.
 - (iii) Signs (including "For Sale" and "For Lease" signs) the nature, number, and location of which have been approved in advance and in writing by the Committee.
 - (iv) Signs of builders on any Lot approved from time to time by the Developer as to number, size, colors, design, message content, location and type.
 - (v) Such other signs (including but not limited to construction job identification signs, builders signs and subdivision identification signs for the various Villages and other facilities) which are in conformance with the requirements of the City of Muskego and which have been approved in writing by the Architectural Control Committee as to size, colors, design, message content and location.
16. RESTRICTION ON FURTHER SUBDIVISION, PROPERTY RESTRICTIONS AND REZONING: No Lot shall be further subdivided or separated into smaller Lots by any Owner, and no portion less than all of any such Lot, nor any easement or other interest therein, shall be conveyed or transferred by any Owner, without the prior written approval of the Board of Directors of the Master Association, which approval must be evidenced on the plat or

other instrument creating the sub-division, easement or other interest. This provision shall not, in any way, limit the Developer from subdividing or separating into Lots any property at any time owned by the Developer or its affiliates and which has not previously been platted or subdivided into Lots. No portion of a Lot but for the entire Lot, together with the improvements thereon, may be rented, and then only to a single person or family. No further covenants, conditions, restrictions or easements shall be recorded by any Owner or other person against any Lot without the provisions thereof having been first approved in writing by the Board and any covenants, conditions, restrictions or easements recorded without such approval being evidenced thereon shall be null and void. No application for rezoning of any Lot, and no application for variances or use permits, shall be filed with any governmental authority by anyone other than the Developer unless the proposed use of the Lot has been approved by the Board and the proposed use otherwise complies with this Master Declaration and any other applicable Declarations

17. EASEMENTS: There is hereby created a blanket easement upon, across, over and under each Lot for ingress to, egress from, and the installation, replacing, repairing and maintaining of, all utility and service lines and systems, including but not limited to water, sewers, gas, telephones, electricity, television cable, communication and security lines and systems, etc. as such utilities and services are installed in connection with the initial development of the Lot and the construction of the first Dwelling Unit or other building thereon. Pursuant to this easement, a providing utility, service company, the Developer or the Master Association (or appropriate Sub-Association) may install and maintain facilities and equipment on the property and affix and maintain wires, circuits and conduits on, in and under the roofs and exterior walls of buildings on the Lots. Notwithstanding anything to the contrary contained in this Subsection, no sewers, electrical lines, water lines, or other utilities or service lines may be installed or relocated on any Lot except as initially programmed and approved by the Developer or the Architectural Control Committee, or, if installed after recordation of this Declaration, approved by the Owner and the Committee.

Easements for underground electrical, telephone, cable TV, gas, sewer, water and other services may be crossed by driveways and walkways. Such easements for underground service shall be kept clear of all other improvements, including buildings, patios and other paving, other than crossing walkways or driveways, and neither the Developer nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, agents, employees or servants, to shrubbery, trees, flowers or other

improvements of any Owner located on the land covered by this easement.

18. UTILITY SERVICES: No lines, wires, or other devices for the communication or transmission of electric current or power, including telephone, television, and radio signals, shall be erected, placed or maintained anywhere in or upon any Lot unless same shall be contained in conduits or cables installed and maintained underground or concealed in, under or on buildings or other structures approved by the Architectural Control Committee. No provision hereof shall be deemed to forbid the erection of temporary power or telephone structures incident to the construction of buildings or structures previously approved by the Committee or the temporary installation of Christmas lighting. Such lighting, however, must be removed no later than the end of the first week of January immediately following the Christmas season.
19. OVERHEAD ENCROACHMENTS: No tree, shrub, or planting of any kind on any Lot shall be allowed to overhang or otherwise to encroach upon any sidewalk, street, roadway, pedestrian or bicycle way or other area from ground level to a height of twelve (12) feet without the prior approval of the Architectural Control Committee.
20. OFFENSIVE ACTIVITIES: No trade or offensive activity of any kind shall be carried on upon any residential Lot, nor shall anything be done on any Lot which shall constitute an annoyance or nuisance to other Owners and the Properties.
21. PARKING: MOTOR VEHICLES, TRUCKS, TRAILERS, CAMPERS, BOATS, ETC.: No motor vehicle classed by manufacturer rating as exceeding 3/4-ton, mobile home, travel trailer, tent trailer, trailer, camper shell, detached camper, boat, boat trailer, or other similar equipment or vehicle may be parked, maintained, constructed, reconstructed or repaired on any Lot or on any street so as to be visible from neighboring properties, the Common Areas, the Country Club grounds or the streets; provided, however, the provision of this Section shall not apply to pickup trucks of 3/4-ton capacity or less with camper shells not exceeding seven (7) feet in height measured from ground level or to vans of 3/4-ton or less capacity when used on a regular and recurring basis for basic transportation.

No automobile, motorcycle, motorbike or other motor vehicle shall be constructed, reconstructed or repaired upon any Lot or street, and no inoperable vehicle may be stored or parked on any such Lot or street, so as to be visible from neighboring properties, the Common Areas, Country Club grounds or the streets provided, however, that the provisions of this Section shall not apply to (i) emergency vehicle repairs or temporary construction shelters or facilities maintained

during, and used exclusively in connection with, the construction of any improvement approved by the Architectural Control Committee; (ii) the storage of such vehicles in an area designated for such purposes in this or an associated Declaration or on a site plan approved by the Committee; or (iii) the maintenance of golf cars on the Country Club grounds. It is the intent of this Declaration to restrict On-Street parking as much as possible. Vehicles of all Owners and residents, and of their employees, guests and invitees, are to be kept in garages, residential driveways of the Owner and other designated parking areas wherever and whenever such facilities are sufficient to accommodate the number of vehicles at a Lot; provided, however, this Section shall not be construed to permit the parking in the above described areas of any vehicle whose parking within the Properties is otherwise prohibited or the parking of any inoperable vehicle. However, this prohibition of parking shall not apply to temporary parking of commercial vehicles, such as for pick-up and delivery and other temporary commercial services, nor to any of the Developer's or its affiliates' vehicles. Further, should there not be a parking area provided for recreational vehicles it is expressly permitted that guests of Owners owning and arriving in such vehicles shall be permitted to park them in the Owners' driveways for a period not to exceed one (1) week, provided such vehicle is not used as living quarters during such visits and prior permission is obtained from the Committee. No unused or inoperable vehicle of any kind, except as herein provided, shall be stored or parked on any Lot except in a closed garage. An "unused or inoperable vehicle" is defined as any vehicle which has not been driven under its own power for a period of thirty (30) consecutive days or longer. Any vehicle in violation of these rules and regulations or other restrictions contained herein or in the foregoing Declaration, as they may be amended, may be towed by the Master Association at the sole expense of the owner of such vehicle if such vehicle remains in violation for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle. The Association shall not be liable to the owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act, by reason of such towing and once the notice of violation is posted, neither its removal, nor failure of the owner to receive it, shall be grounds for relief of any kind. For purposes of this paragraph, "vehicle" shall also mean campers, mobile homes and trailers, boats, boats and trailers, etc. An affidavit of the person posting such notice stating that it was properly posted shall be conclusive evidence of proper posting.

22. RIGHT OF ENTRY: During reasonable hours and upon reasonable notice to the Owner or other occupant of a Lot, any member of the Architectural Control Committee, any member of the Board of either the Master Association or the Association, or any

authorized representative of either of them, shall have the right to enter upon and inspect any Lot, and the improvements thereon, except for the interior portions of any completed residence, for the purpose of ascertaining whether or not the provisions of this Declaration have been or are being complied with and such persons shall not be deemed guilty of trespass by reason of such entry.

23. HEALTH, SAFETY AND WELFARE: In the event additional uses, activities, and facilities are deemed by the Master Association to be a nuisance or to adversely affect the health, safety or welfare of Owners, the Board of Directors of the Master Association may make rules restricting or regulating their presence on the Properties as part of the Master Covenants or may direct the Architectural Control Committee to make rules governing their presence on Lots as part of the architectural guidelines.
24. MODEL HOMES: The provisions of this Master Declaration which prohibit nonresidential use of Lots and regulate parking of vehicles shall not prohibit the construction and maintenance of model homes by persons engaged in the construction of residential dwellings within the Properties and parking incidental to the visiting of such model homes so long as the location of such model homes are approved by the Architectural Control Committee, the opening and closing hours are approved by the Board, and the construction, operation (including means of access thereto, amount of lighting and number and appearance of signs) and maintenance of such model homes otherwise comply with all of the provisions of the Master Covenants of Country Club Villages. The Committee may also permit Lots and other areas to be used for parking in connection with the showing of model homes so long as such parking and parking areas are in compliance with the ordinances of the City of Muskego and any rules of the Committee. Any homes constructed as model homes shall cease to be used as model homes at any time the Owner thereof is not actively engaged in the construction and sale of single family residences within the Properties and no home shall be used as a model home for the sale of homes not located in the Properties without the express written permission of the Developer.
25. INCIDENTAL USES: The Board of Directors of the Master Association may approve uses of property within any land use classification, other than that of the Country Club, which are incidental to the full enjoyment by the Owners of the property within that land use classification. Such approval may be subject to such regulations, limitations and restrictions, including termination of the use, as the Board may wish to impose, in its sole discretion, for the benefit of Country Club Villages as a whole.

26. SEWERAGE COLLECTION/PUMPING AND WELL SITES: Property classified for "Sewerage Collection/Pumping Sites" or "Well Sites" under this or other Declaration shall be used only for the construction, operation and maintenance of the required facilities in accordance with, and subject to, the terms and conditions of a "Sewerage Collection/Pumping Agreement", if any shall be entered into with the City of Muskego or other governmental entities and provisions of a "Water Trust" to be recorded. A copy of this agreement, if executed, shall at all times be maintained in the office of the Master Association and shall be available for inspection during regular business hours. The use of such property may be changed by the City of Muskego or other Owner (other than the Developer) only in accordance with the Agreement. Easements over portions of Country Club Villages required for sewerage collection and disposal lines from the collection/pumping sites and/or water lines from the "Well Sites", as required by the Agreement, shall be established by a recordation of a subdivision plat.

If, for any reason, ownership of property having a Sewerage Collection/Pumping land use classification reverts to the Developer or the Master Association under the Agreement, the Developer or Master Association may amend the Declaration for such property to alter the land use classification to such a land use classification as they may deem appropriate.

27. THE COUNTRY CLUB: Property designated as "the Country Club" may be used only for the construction and operation of a golf course, recreational facilities or aesthetic open space and social club and activities incidental thereto for a period of at least twenty years from the date of this Declaration. Such activities shall include, but not be limited to; the operation of restaurants and bars; the giving of parties, dances and other social functions; the conduct of regular golf activity, golf tournaments and golf outings; the operation of a pro shop, practice range, golf club repair facility and golf teaching activities; the operation of tennis courts, saunas, swimming pools and other recreational facilities; and the use of facilities on the premises for social meetings and recreational activities for members and non-member customers. During this or subsequent periods pertaining to this restriction, the land occupied by the golf course may not be further divided, subdivided or changed in zoning.

This Declaration hereby makes clear that the establishment of hours of operation, the number of members, the types of memberships, the use of the golf course and other facilities by members and non-members, the use of lights, the conduct of various activities, and other matters pertaining to the operation of the Country Club shall be strictly under the control of the owner(s) of the Country Club.

The Master Association and the Country Club owner(s) shall cooperate in their respective enforcement of each other's rules, regulations and restrictions.

28. CHILDREN: Children will be the direct responsibility of their parents or legal guardians, including full supervision of them while within the Common Areas or on Country Club grounds and including full compliance by them with these Rules and Regulations and all other rules and regulations of the Master Association and/or Country Club. Loud noises will not be tolerated. All children under twelve (12) years of age must be accompanied by a responsible adult when entering and/or utilizing any recreation facilities including those at the Country Club unless enrolled in a sponsored group activity and overseen by responsible adults or Country Club employees.
29. SWIMMING POOLS: ALL PERSONS USING ANY SWIMMING POOL AT THE COUNTRY CLUB OR IN OTHER RECREATIONAL AREAS SHALL DO SO AT THEIR OWN RISK. Private swimming pools on Lots or in Condominium Villages may be constructed and maintained by the Owners. However, only swimming pools of the "in-ground" variety will be permitted and all design and construction must be approved in writing by the Architectural Control Committee and comply with all applicable State, County and Municipal ordinances.
30. HUNTING: No hunting or use of firearms shall be permitted anywhere on the properties at any time.

SECTION II. CONSTRUCTION STANDARDS

1. RESTRICTIONS: The following restrictions will apply:
 - (a) All plans and specifications for residences or commercial buildings proposed for erection on the Properties must be approved by the Architectural Control Committee in accordance with rules established in the Master Association Declarations.
 - (b) The Architectural Control Committee is authorized to charge not more than one hundred dollars (\$100.00) for review of plans for structures and alterations of single family units and not more than five hundred dollars (\$500.00) for review of plans for structures and alterations of multi-family, condominium buildings or complexes. Submission of such plans must be accompanied by a deposit of twenty-five percent of the above fee. Such fee may be adjusted in light of the noted CPI on an annual basis.

- (c) Neither the Committee, its members, the Association, nor the Developer shall be responsible in any manner whatsoever for any defect in any plans or specifications submitted or as revised by said Committee or the Developer, or for any work done pursuant to the requested changes of any plans and specifications.
2. DRAINAGE: Natural drainage patterns shall not be changed by any construction unless permanent storm drainage systems are installed underground with appropriate collection basins. To the greatest extent possible, the golf course lands and water retention ponds as well as existing low areas (so-called wetland areas) will be used for the retention of storm waters emanating from developed areas and Villages.
 3. CONSERVATION: Owners and Developers shall design all construction and landscaping to comply with existing environmental and conservation standards. All landscaping plans shall be submitted to the Architectural Control Committee for approval before installation.
 4. SEWERAGE FACILITIES: Each living unit and commercial structure on the Properties shall be provided with a sewerage disposal connection. Outdoor privies are prohibited except during construction and on the golf course.
 5. OUTSIDE TANKS: Butane, liquid propane, and similar tanks are prohibited.
 6. FENCES: No fences or walls, other than those surrounding in-ground swimming pools as approved by the Committee, may be erected or maintained on any Lot except by the Developer or, in the case of multi-family Villages, the builder. THOSE OWNERS OF LOTS FRONTING ON THE GOLF COURSE ARE SPECIFICALLY PROHIBITED FROM ERECTING ANY FORM OF FENCE, WALL OR HEDGE WHICH WOULD INHIBIT OR EXCLUDE GOLFERS SEEKING RECOVERY OF GOLF BALLS OR ACT AS A VISUAL, PHYSICAL OR AESTHETIC BARRIER TO GOLFERS OR OTHER RESIDENTS.
 7. GRADING OF LOTS: Each lot owner must strictly adhere to and finish grade his or her lot in accordance with the Master Grading Plan on file in the offices of the Developer and the offices of the City of Muskego unless approved by the City Engineer to alter same. The Developer, The Master Maintenance Association and/or the City and/or their agents, employees, representatives, or assigns shall have the right to enter upon any lot, at any time, for the purpose of inspection, maintenance or correction of any drainage condition and the Property Owner shall be responsible for any costs associated with same.

Every Owner and occupant shall comply with these rules and regulations as set forth herein, any and all rules and regulations which from time to time may be adopted, and the provisions of this Declaration, By-Laws and Articles of Incorporation of the Master Association and the Sub-Associations, as amended from time to time. Failure of an Owner or occupant to so comply shall be grounds for action which may include, without limitation, an action to recover sums due for damages, injunctive relief, or any combination thereof. The Master Association shall have the right to suspend voting rights and use of recreation facilities in the event of failure to so comply. In addition to all other remedies, in the sole discretion of the Board of Directors of the Master Association, a fine or fines may be imposed upon an Owner for failure of an Owner, his tenants, family, guests, invitees or employees, to comply with any covenants, restrictions, rules or regulations herein or in the Declaration or Articles of Incorporation or By-Laws, as provided in the Declaration.

These rules and regulations shall not apply to the Developer, nor its affiliates, agents or employees and contractors (except in such contractors' capacity as owners), or to institutional first mortgagees, nor to property owned or operated by either the Developer or its affiliates or such mortgagees. All of these rules and regulations shall apply, however, to all other Owners and occupants even if not specifically so stated in portions hereof. The Board of Directors of the Associations, upon concurrence by the Board of Directors of the Master Association, shall be permitted (but not required) to grant relief to one or more Owners from specific rules and regulations upon written request therefor and good cause shown in the sole opinion of the Board.

Nothing contained in the Declarations or these rules and regulations shall be construed to prevent the erection or maintenance by the Developer, or its duly authorized agents, of structures, improvements or signs necessary or convenient to the development or sale of property within Country Club Villages.
